Bloem Show

**Enter your creative craft, art or baking products at Bloem Show 2016!
Closing date – 30 March 2016**

It's once again time for Bloem Show and interested parties are invited to submit their creative crafts, art and baking entries to Bloem Show's creative craft section. The annual Bloem Show will be hosted from 27 April to 7 May in Bloemfontein.

Bloem Show's Creative crafts section is the largest of its kind in South Africa and is growing every year. Last year we received 2678 entries for this section.

This section of the Bloem Show also gives children the opportunity to learn about crafts that are almost on the verge of extinction.

Like the shows of the past, the Creative crafts section at Bloem Show each year offers the opportunity to young and old to enter and showcase their beautiful crafts, arts and/or baking.

We annually receive entries from all over South Africa and everyone is welcome. Knitwear, Baking, Bottled items, Crocheting, Patchwork and Quilting, Machine Work, Creative Embroidery, Hobbies, Carpentry, Sugar craft, Teddy Bears, Traditional Embroidery, WAU competitions, Weaving and Spinning, Flowers arrangements, amateur photography, Writing, Art, Primary Schools' baking, Cookery for Secondary schools' , Needle craft for schools – is the different classes one can enter!! There is a section for everyone, young or old!

Mrs. Sonia van Zyl (Chairperson of the Creative Crafts Committee at Bloem Show) says this section is excited about the entries for the 2016 Bloem Show. Mrs. van Zyl said in Bloemfontein, yesterday: "There are so many interesting crafts and hobbies. We would like to see and appreciate them all, so please enter your handmade items for this year's Bloem Show." Therine Geldenhuys, coordinator of the Hobby entries, encourages young and old to enter their creative work, from mosaic, fabric paint, clay figurines,

wire-work, even children's artwork is welcome. All the classes are specified with detail on www.bloemshow.co.za

Remember, the entries close on 30 March 2016. Contact Bloem show during office hours on 051 448 9894 or send an email to info@bloemshow.co.za
